**Letter of support for Joe Roberts and the *Push for Change* Campaign**

It is my pleasure to add my support to Joe Roberts and *The Push for Change* campaign. We believe that this initiative will make a significant contribution towards enhancing community and youth engagement in efforts to eliminate youth homelessness.

Mr. Roberts' incredible journey will raise awareness not only in New Brunswick, but across Canada, towards a goal where all youth are supported at a crucial crossroad in their lives, allowing them to be engaged members of their communities.

This initiative emphasizes that prevention, combined with community involvement, is a pivotal building block towards an end to youth homelessness.

We wish Mr. Roberts all the best with his cross-country journey, and are sure that he and his team will receive a warm welcome on their way through New Brunswick this summer.
